Minutes of the September 9, 2019
Regular Meeting of the Yancey County Board of Commissioners
Held at 6:00 pm in the Yancey County Courtroom
Yancey County Courthouse, Burnsville, North Carolina

Present at the meeting held September 9, 2019 were Chairman Jeff Whitson, Commissioner Mark Ledford, Commissioner Jill Austin, Commissioner David Grindstaff, Commissioner Johnny Riddle, County Manager Lynn Austin, County Finance Director Lynne Hensley, Planning & Economic Development Director Jamie McMahan, County Attorney Donny Laws, Tax Administrator/Assessor Danny McIntosh, Clerk to the Board Sonya Morgan, members of the media, and members of the general public.

Call to Order

Chairman Whitson welcomed those in attendance and called the meeting to order.

Invocation and Pledge of Allegiance to the Flag

Commissioner Ledford delivered the invocation. Commissioner Grindstaff led in the Pledge of Allegiance to the Flag.

Approval of the Agenda

Commissioner Riddle made a motion to approve the agenda, with Commissioner Ledford seconding the motion. By unanimous vote the agenda was approved. (Attachment A)

Consent Agenda

Chairman Whitson read through the items on the consent agenda, which included:

- Approval of August 12, 2019 Regular Meeting Minutes
- Approval of August 12, 2019 Closed Session Meeting Minutes
- Approval of August 22, 2019 Special Meeting Minutes
- Anchor QEA Agreement – Informational (Attachment B)
- Ray Cort Park Access Agreement – Informational (Attachment C)
- August 2019 Tax Collection Reports – Informational (Attachment D)

Chairman Whitson asked for a motion to approve the items on the consent agenda. Commissioner Ledford made a motion to approve the consent agenda, which was seconded by Commissioner Grindstaff. By unanimous vote the consent agenda was approved.

Public Hearing – Public Transportation Program

Michael Harris, Director of the Yancey County Transportation Authority (YCTA) presented the applications, public hearing record, and PUBLIC TRANSPORTATION PROGRAM RESOLUTION – FY 2021 RESOLUTION, for fiscal year 2021. (Attachment E) Mr. Harris indicated that funding was for ongoing grants. He explained that the 5311 grants were used to cover administrative costs such as salaries, benefits, drug tests, insurance, and training. The requested funding of $123,390 would require a local match of 15%, or $18,509. Mr. Harris explained that the capital grant would be used to replace the low band radio system that is obsolete and not reparable. The capital grant request in the amount of $29,616 requires a local match of $2,963. Mr. Harris explained that the 5310 operating grant provides funding for carrying the elderly and disabled and the grant amount is $55,000 with a local match of $27,500 (50%). Mr. Harris reported that YCTA received approximately $121,000 from contracts, which is vital to operating and that all of the previously mentioned grants were included in the YCTA budget. Mr. Harris then entertained questions. Hearing none, Chairman Whitson opened the floor for the purpose of holding a public hearing to receive comments for Section 5311 (ADTAP), 5310, 5339, 5307, and applicable state funding, or combination thereof. Hearing no public comment, Chairman Whitson asked for a motion to close the public hearing. Commissioner Riddle made a motion to close the public hearing with Commissioner Grindstaff seconding the motion. The public hearing was closed by unanimous vote. Chairman Whitson asked for a motion to adopt the PUBLIC TRANSPORTATION PROGRAM RESOLUTION – FY 2021 RESOLUTION. Commissioner Grindstaff made the motion to adopt the

RESOLUTION, with Commissioner Austin seconding the motion. By unanimous vote the RESOLUTION was adopted.

Vaya Health

Chairman Whitson welcomed Angela Garner, Vaya Health Community Relations Director. Ms. Garner addressed the Board and discussed the resolution passed by the Vaya Health board in favor of funding mental health, intellectual/developmental disabilities (IDD), and substance use disorder. (Attachment F) Ms. Garner indicated that the North Carolina General Assembly had reduced funding for these services by $48 million in the past four years. She further indicated that additional reductions might increase the need for additional allocations from counties for services for hospitals, jails, local social services, and crisis services. Ms. Garner said that the Vaya Health board is asking county commissioners to adopt a resolution to stop funding cuts for mental health, IDD, and substance use disorder services. Ms. Garner indicated that funding these services provides for Medicaid savings and services that prevent children from coming into local DSS foster care. Commissioner Riddle asked who from the Board served on the Vaya Health Commissioner Advisory Board. County Manager Austin and Chairman Whitson indicated that they served on the Advisory Board. Chairman Whitson then asked for a motion to adopt the RESOLUTION IN SUPPORT OF FUNDING TO MEET MENTAL HEALTH, INTELLECTUAL/DEVELOPMENTAL DISABILITIES, AND SUBSTANCE USE DISORDER SERVICE NEEDS OF THE CITIZENS OF YANCEY COUNTY. (Attachment G) Commissioner Riddle made a motion to adopt the RESOLUTION, with Commissioner Austin seconding the motion. By unanimous vote the RESOLUTION was adopted.

Tax Discovery Bill

Danny McIntosh, Tax Administrator/Assessor addressed the Board to present a tax discovery bill. Mr. McIntosh presented a packet to the Board and explained each exhibit contained therein. (Attachment H) Mr. McIntosh said that Exhibit 1 was copy of appeal form received by email on April 25, 2019 for the 2019 tax year, after the Board of Equalization & Review (BOER) had adjourned. He indicated that the tax assessor is charged with the responsibility to review property. Upon review, it was discovered that the house was built on the property in 2008 and not recorded until 2016. The house value is $800,000 and the land value is $228,800 on the property card as of April 25, 2019. Mr. McIntosh reviewed the discovery process with the Board, including the presentation of the notice to the owner of a tentative appraisal and proposed discovery bill dated May 17, 2019 for the current year plus five years prior. Mr. McIntosh indicated that owner must demonstrate why they are not liable, and said that he did not receive a response to the notice within the allotted time period. On June 28, 2019, Mr. McIntosh sent a letter to the taxpayer indicating that since they did not respond, the tax bill became final. Mr. McIntosh further indicated that since the bill was created the taxpayer has accrued an additional $428 in interest. County Attorney Donny Laws stated that the taxpayers were present at the Board meeting. Mr. Laws said that he, Mr. McIntosh, and Assistant Tax Assessor/Administrator Lindsey Smith had met with the taxpayers. Mr. Laws said Board does not have authority to adjust the tax bills, but the Board has discretion on penalties and interest. Sharon Kuntz, whose husband Larry is listed as trustee on the property, and Amy Melson addressed the Board and said that they needed help to understand how this happened and would have appealed the mass appraisal in 2016 had they know that the assessed value was $544,100. Chairman Whitson restated that the Board only has the authority to relieve penalties and interest and the burden falls on the taxpayer. Mr. Laws stated that the property owner cannot appeal the value of property, except during the assessment year and that in non-reevaluation years you are limited to what you can ask the Board to adjust. Mr. Laws discussed further the fact that the county has lost funding, the discovery process can only go back five years, and the burden is on the taxpayer to correctly list the property. Chairman Whitson made a motion that the Board relieve the penalties and interest to date, with Commissioner Austin seconding the motion. By unanimous vote the motion was carried.

Surplus Property Final Bid

County Manager Austin reported to the Board that the upset bid process for the old hospital building began several months ago with an initial bid of $40,000 and had ended with a final bid in the amount of $62,661.90. (Attachment I) She indicated that the Board could decide

to accept or reject the bid. Chairman Whitson indicated that the Board had discussed the property in previous years and that the value was estimated at that time at $220,000. He indicated the Board would like to have received at least $75,000 for the property. Chairman Whitson said that he was recently made aware of grants that were available to improve the property and asked Jamie McMahan to explain them to those in attendance. Mr. McMahan addressed the Board and indicated that he had conversations with County Manager Austin about potentials for property as revisions are being made to the economic development plan, including the possibility of a farmers market. Mr. McMahan explained there may be options available to arrange for demolition to level the building for little or no money and possibly make the property multi-purpose use. Commissioner Grindstaff made a motion to remove the property from sale. Commissioner Riddle stated that he appreciated the interest in the property and seconded the motion. The Board voted unanimously to remove the property from sale.

County Manager's Report

County Manager Austin next gave her report and acknowledged Loren Deyton and Robbie Tipton Parks & Recreation Director and Assistant Director respectively. She reported that the two have been working hard to transform the department, including absorbing youth league, working on renovations at the parks and the two pools, and developing different leagues. Parks & Recreation is also working to offer activities such as fishing, hiking, and hunters safety, not just sports, so that the citizens to have more activities. Chairman Whitson thanked Robbie Tipton for the improvements at the campground and stated that he believes that Cane River Park will be profitable. Next, County Manager Austin presented three bids she received for the installation of lights at Cane River Park. (Attachment J) She explained that while Buckingham is a little higher, they would allow French Broad Electric to help set the poles. She indicated that there is $300,000 in grant funds available for the project. County Manager Austin recommended that the county use Buckingham Electric as their cost, with the four men they will use to get the poles in, would be adjusted to approximately $181,440. Commissioner Ledford made a motion to authorize County Manager Austin to contract with Buckingham Electric, with Commissioner Riddle seconding the motion. By unanimous vote the motion was approved. County Manager Austin then stated that the resurfacing of the tennis courts was not completed as originally reported due to weather. She stated the tennis courts were now resurfaced and the work was completed over the Labor Day holiday. County Manager Austin updated the Board on berm construction at Cane River Park and reported that a new FEMA representative had been assigned to the project. She also reported that the East Yancey Water & Sewer project would go out for bid on September 11, 2019 on the county website and contractors' site. Next, County Manager Austin said that at the August 22, 2019 special meeting she presented the Anchors QEA landfill contract with the mowing portion removed. She stated since the meeting she received information that there is a lot of wood, debris, grass, etc. that needs to be cleaned up. She asked that the Board allow her to contract a cleanup of the area. Commissioner Ledford made a motion to authorize County Manager Austin to conduct a one-time cleanup of the area, with Commissioner Austin providing a second. By unanimous vote the motion was carried. Finally, County Manager Austin presented the first option to purchase offer of $201,860 to the Board presented by Yancey County Schools for the former Bald Creek Pre-K building. Commissioner Riddle made a motion to decline the offer to purchase the property with Commissioner Austin seconding the motion. The Board voted unanimously to decline the offer to purchase the former Bald Creek Pre-K building.

County Attorney's Report

County Attorney Donny Laws had nothing to report to the Board this month.

County Commissioners' Report

Commissioner Grindstaff announced that the Building Better Business breakfast would be held at 7:00 am on September 10. Chairman Whitson said that he had two resolutions he wanted to present. Chairman Whitson presented and read the RESOLUTION OF THE YANCEY COUNTY BOARD OF COMMISSIONERS, DECLARING THE COUNTY OF YANCEY, NORTH CAROLINA FOR LIFE AND URGING THE CITIZENS OF THE COUNTY OF YANCEY TO PROMOTE AND DEFEND THE INALIENABLE RIGHT TO LIFE AND THE INHERENT DIGNITY OF ALL HUMAN BEINGS, INCLUDING THE PRE-BORN, FROM CONCEPTION OR FERTILZATION THROUGH ALL STAGES OF

DEVELOPMENT (Attachment K) and made a motion to adopt the RESOLUTION. Commissioner Grindstaff seconded the motion. By a vote of 3 – 2 the motion carried, with Commissioners Riddle and Austin voting against. Commissioner Austin asked to comment and stated that it felt like a political statement and that she does not make political decisions in her position. Chairman Whitson presented and read a second resolution, RESOLUTION IN SUPPORT OF OVERRIDING THE BUDGET VETO, and made motion to adopt the RESOLUTION, (Attachment L) with Commissioner Ledford seconding the motion. By a vote of 3 – 2, the motion carried, with Commissioners Riddle and Austin voting against.

Public Comments

Dr. John Boyd updated the Board on Mayland Community College projects. Marvin Taylor spoke on the Sheriff's Department.

Adjournment

Having no further business, Commissioner Riddle made a motion to adjourn, with Commissioner Ledford seconding the motion. The Board of Commissioners voted unanimously to adjourn.

Approved and authenticated this the 14th day of October 2019.

Re: Proposal for Leachate Release Sampling, Topographic Survey, and Base Plan for Landfill Repair Design
Yancey-Mitchell Sanitary Landfill
Permit No. 100-01
Burnsville, North Carolina

Dear Ms. Austin,

Anchor QEA of North Carolina, PLLC, appreciates the opportunity to present this proposal for leachate release sampling, topographic survey, and base plan for landfill repair design for the Yancey-Mitchell Sanitary Landfill (the Site) located at 555 Landfill Road in Burnsville, North Carolina. This proposal includes background information, a scope of services for developing the plans for review by the North Carolina Department of Environmental Quality (DEQ), estimated costs, and a schedule.

Background

Anchor QEA understands that Yancey County and Mitchell County received a *Facility Compliance Inspection Report for the Yancey-Mitchell Sanitary Landfill* and a *Notice of Violation* (NOV) dated April 18, 2019, from the DEQ Division of Waste Management (DWM), Solid Waste Section (SWS).

The SWS identifies the landfill as the Yancey-Mitchell Sanitary Landfill and alternatively as the closed MSW (municipal solid waste) landfill. A closure letter was originally issued for the Yancey-Mitchell Sanitary Landfill by the SWS on December 21, 1995, which specified post-closure conditions and water quality monitoring and reporting requirements. The December 21, 1995 closure letter conditions were incorporated into the *Permit for Closure 10001-MSWLF-1987 Yancey-Mitchell Sanitary Landfill* issued on March 19, 2014.

In the *Facility Compliance Inspection Report for the Yancey-Mitchell Sanitary Landfill* and the NOV dated April 18, 2019, the SWS identified violations of North Carolina solid waste statutes and rules related to the integrity of the landfill cap system, the discharge of leachate, and well identification. To

come into compliance with all requirements of applicable regulations, the SWS indicated that Yancey and Mitchell Counties must complete the following:

- Contact Allen Gaither, DEQ Permitting Engineer, regarding plan submittal requirements for repair of the northern slope of the landfill within 10 days, and complete cover system repairs must be completed within 90 days of plan approval.
- Contact Perry Sugg, SWS Hydrogeologist, regarding leachate release sampling plan submittal requirements within 10 days, and complete sampling within 30 days of plan approval.
- Affix identification plates with required information on all non-water supply wells at the facility within 6 months.

Anchor QEA contacted the SWS representatives on April 24, 2019, to review plan requirements and the implementation schedule on behalf of Yancey County and Mitchell County.

As discussed with Permitting Engineer, Allen Gaither, woody vegetation (including trees and shrubs) must be removed, and existing haul roads must be improved to access the northern slope of the landfill for repair. Mr. Gaither indicated that the access roads could be constructed prior to submittal of slope repair plans to preserve the 90-day window for completing final cover system repairs. The repair of the final cover system on the northern slope of the landfill must be completed within 90 days of plan approval by the SWS.

Scope of Services

The following is a scope of services for leachate release sampling and reporting as well as completing a topographic survey and base plan for landfill repair design:

Task 1 – Prepare and Implement Leachate Release Sampling Plan

In accordance with 15A NCAC 13B.0505(7)(c), leachate must be contained on site or properly treated prior to discharge. During the facility inspection on April 3, 2019, a leachate release was observed on the northern slope of the closed landfill.

Anchor QEA will prepare a sampling plan in accordance with the DWM SWS's *Leachate Release Sampling & Analysis Guidelines* for MSW Landfills, dated April 2019, which will include the following:

- Map depicting area of impact and proposed sampling locations
- Description of proposed sampling methodology
- Description of proposed sampling locations to evaluate extent of impacts

Based on the referenced guidelines, Anchor QEA assumes that up to five samples (including background samples) will be collected, and samples will be analyzed for Appendix I parameters (volatile organic compounds and total metals), total phosphorus, sulfate, nitrate, and pH. Following approval of the plan by the SWS, Anchor QEA will prepare an updated Health & Safety Plan for the project and complete the sampling.

Samples will be submitted to a North Carolina-certified laboratory for analysis. After receiving laboratory analytical data, Anchor QEA will prepare a summary report for review by Yancey County and submittal to the SWS.

Additionally, during the sampling event, an identification plate containing information required by the SWS, as specified in the NOV, will be affixed to groundwater monitoring well MW-J. This monitoring well was damaged during construction of an on-site observatory in 2015 and was subsequently repaired. Additional monitoring well construction information is not available for wells MW-2, MW-3, and MW-AR. However, the landfill *Corrective Action Assessment Plan for the Yancey-Mitchell Sanitary Landfill*, dated April 4, 2019, includes a provision for a downhole camera investigation of each monitoring well. The planned downhole camera investigation should provide additional well construction information for the identification plates on monitoring wells MW-2, MW-3, and MW-AR.

~~*Task 2 – Obtain Topographic Survey and Prepare Base Plan*~~ Task 1 only at this time

Anchor QEA will contract with a North Carolina-licensed surveyor to complete a topographic survey of the Sanitary Landfill northern slope and surrounding areas (approximately 3.5 acres) and access road corridors (approximately 2,200 linear feet). Anchor QEA will use the topographic survey to complete a base plan for road and slope repair designs.

Once the leachate response sampling and the base plan from the topographic survey of the landfill are completed, the following tasks will need to be completed:

- Design and permit access road improvement plan
- Perform bidding and construction administration of access road improvement
- Design and permit landfill slope repair
- Perform bidding and construction administration of landfill slope repair

These tasks are not included in the scope of services in this proposal.

Estimated Costs

Table 1 provides a cost estimate to complete the scope of work described in this proposal. Based on this scope, costs are estimated to be ~~$21,669~~. $9,023.00

Completion of the project within the estimated budget is based on the foregoing descriptions and the following assumptions:

- Access to the site will be provided on an agreed-upon day for sampling without delay.
- Inclement weather will not affect the field activities.
- As specified in the NOV, the SWS may require additional measures in response to the leachate release pending a review of the results of laboratory analysis of the soil samples, which are not included in this proposal.

- One round of revisions will take place to the plan based upon comments from Yancey County and the SWS.

Schedule

Anchor QEA will begin working on the leachate release sampling plan for the Site as soon as we receive notice to proceed, which consists of the signed Standard Agreement.

- Anchor QEA will provide the draft leachate release sampling plan to Yancey County within 15 days of notice to proceed. Once approved by Yancey County, the leachate release sampling plan will be submitted to the SWS for review.
- Following approval of the sampling plan by the SWS, Anchor QEA will complete sampling within 30 days of plan approval, and a report will be completed within 15 days of receipt of laboratory results.
- The topographic survey and base plan will be completed within 30 days of notice to proceed.

We appreciate your time and consideration of this proposal. Once you have had a chance to review, please contact Jennifer Verde (828-771-0328 or jverde@anchorqea.com) with any questions.

Sincerely,

Jennifer H Verde

STANDARD AGREEMENT

This agreement is entered into on the full execution date indicated on the signature page by and between Anchor QEA of North Carolina, PLLC, a North Carolina Professional Limited Liability Company with a location at 231 Haywood Street, Asheville, North Carolina 28801, and affiliated companies, hereinafter referred to as "Anchor QEA," and Yancey County Manager, 110 Town Square, Burnsville, North Carolina 28714, hereinafter called "CLIENT."

This AGREEMENT is for the Proposal for Leachate Release Sampling, Topographic Survey, and Base Plan for Landfill Repair Design.

PROVISIONS

ARTICLE 1: TERMS OF PAYMENT

A. Invoicing

Monthly invoices will be issued to the CLIENT for payment and will represent the value of the Scope of Services completed to date.

B. Payment

Payment is due within 30 calendar days of date of the invoice for the entire invoice amount. Any invoice not paid within 30 days shall bear interest at the equivalent of 18 percent per year.

C. Final Payment

Final payment of any balance will be made upon completion of the Scope of Services, and receipt of all deliverables and all PROJECT-related documents and data that are required to be furnished under this AGREEMENT.

ARTICLE 2: OBLIGATION OF ANCHOR QEA

A. Independent Contractor

Anchor QEA is an independent contractor and will maintain complete control of and responsibility for its employees, agents, and operations.

B. Lower Tier Subcontracts

Anchor QEA shall not sublet or assign any of the work covered by this Agreement, except with the prior written approval of the CLIENT and in compliance with the terms, provisions, and conditions of this Agreement. Anchor QEA will bind all Lower Tier Subconsultants to the Provisions of this AGREEMENT.

Neither this AGREEMENT nor any Lower Tier subcontract will create any contractual relationship between any Lower Tier Subconsultant and the CLIENT nor any liability of the CLIENT to any Lower Tier Subconsultant.

C. Standard of Care

In providing services under this Agreement, Anchor QEA will endeavor to perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.

D. Notice of Delay

The time schedule for the performance of services as set forth under this Agreement is based on Anchor QEA's anticipation of the orderly and continuous progress of the project. If Anchor QEA is delayed in the performance of services by conditions that are beyond its control, Anchor QEA shall notify the CLIENT in writing of the cause of delay and the amount of delay anticipated. Such notice shall be delivered to the CLIENT within five (5) days of the time Anchor QEA is aware of the delay.

E. Insurance

Anchor QEA will maintain throughout this AGREEMENT the following insurance and will submit certificates verifying such to the CLIENT when requested:

(1) Worker's compensation insurance as required by the state or province where the work is performed and Employers Liability as follows:

$1,000,000 each accident
$1,000,000 each employee
$1,000,000 disease aggregate

(2) Comprehensive automobile liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including onsite and offsite operations, and owned, non-owned, or hired vehicles, with $1,000,000 combined single limits.

(3) Commercial general liability insurance covering claims for injuries arising out of any negligent act or omission of Anchor QEA or of any of its employees, agents, or subconsultants, with $1,000,000 per occurrence/general aggregate.

(4) Professional liability insurance of $1,000,000, per claim and in the aggregate.

Anchor QEA will give the CLIENT thirty (30) days notice of any cancellation of the policies.

F. Limitation of Liability

To the maximum extent permitted by law, the CLIENT agrees to limit Anchor QEA's liability for the CLIENT's damages and legal costs to Anchor QEA's fees for the services provided under this AGREEMENT.

G. Indemnification

Anchor QEA and the CLIENT mutually agree, to the fullest extent permitted by law, to indemnify and hold each other harmless from any and all damage, liability, or cost, including reasonable attorneys' fees and costs of defense, arising from their own negligent acts, errors or omissions in the performance of their services under this AGREEMENT, to the extent that each party is responsible for such damages, liabilities and costs on a comparative basis of fault.

H. Consequential Damages

Notwithstanding any other provision of this AGREEMENT, and to the fullest extent permitted by law, neither the CLIENT nor Anchor QEA, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the project or to this AGREEMENT. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation or any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty. Both the CLIENT and Anchor QEA shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in this project.

I. Permits, Licenses, and Fees

Anchor QEA will obtain and pay for all permits and licenses required by law that are associated with Anchor QEA's performance of the Scope of Services and will give all necessary notices.

J. Access to Records

Anchor QEA will maintain accounting records, in accordance with generally accepted accounting principles and practices to substantiate all invoiced amounts. Said records will be available for examination by the CLIENT during Anchor QEA's normal business hours for a period of 3 years after the final invoice to the extent required to verify the costs incurred hereunder.

K. Ownership

CLIENT retains ownership of all instruments of professional service developed by Anchor QEA under this AGREEMENT. Anchor QEA shall not be liable for any reuse or modification of these work products for purposes not anticipated by Anchor QEA under this AGREEMENT.

L. Equal Employment Opportunity

Anchor QEA, with regard to the work performed by it after approval and/or award and prior to completion of this contract, shall comply with all applicable provisions of Executive Agreement 11246 of September 24, 1965, as amended, the terms of which are incorporated herein by this reference and made a part of this AGREEMENT. Anchor QEA will provide equal employment opportunity and adhere to federal, state and local laws pertaining thereto. Appropriate action will be taken by Anchor QEA, with respect to itself and any of its subconsultants, vendors and suppliers to ensure compliance with such laws. All federal, state and local equal opportunity and affirmative action requirements with regard to race, gender, creed, color, age, religion, national origin, disability or veteran status are incorporated into this AGREEMENT by reference. Anchor QEA will give all notices, pay all fees and take all other action which may be necessary to conduct its business in accordance with all applicable statutes, ordinances, rules and regulations including, without limitation, the above stated standards and acts, any statutes regarding qualification to do business and any statutes prohibiting discrimination among employees because of race, creed, color, national origin, age, or sex.

ARTICLE 3: GENERAL PROVISIONS

A. Waivers

No waiver by either party of any default by the other party in the performance of any provision of this AGREEMENT will operate as, or be construed as, a waiver of any future default, whether like or different in character.

B. Force Majeure

Neither party to this AGREEMENT will be liable to the other party for delays in performing the Scope of Services, or for the direct or indirect costs resulting from such delays, that may result from labor strikes, riots, war, acts of governmental

authorities, extraordinary weather conditions or other natural catastrophe, or any other cause beyond the reasonable control or contemplation of either party.

C. Authorization to Proceed
Execution of the AGREEMENT by the CLIENT will be authorization for Anchor QEA to proceed with the Scope of Services, unless otherwise provided for in this AGREEMENT.

D. No Third Party Beneficiaries
This AGREEMENT gives no rights or benefits to anyone other than Anchor QEA and the CLIENT and has no third-party beneficiaries.

E. Jurisdiction
The laws of the state in which the project is located shall govern the validity of this AGREEMENT, its interpretation and performance, and any other claims related to it; venue of any lawsuit shall also be in the jurisdiction of that office location.

F. Disputes
In the event of any dispute arising out of this Agreement, the parties agree to submit the dispute to non-binding mediation and binding arbitration under the then prevailing rules of the American Arbitration Association (AAA) for construction industry disputes, provided that no party objects to arbitration within 30 days after a demand for arbitration is filed with AAA. In any action brought for such dispute, the prevailing party shall be entitled to recover its reasonable costs and attorney fees.

G. Severability and Survival
If any of the provisions contained in this AGREEMENT are held for any reason to be invalid, illegal, or unenforceable in any respect, unenforceability will not affect any other provision of this AGREEMENT. The provisions of this AGREEMENT shall survive its termination and completion of services.

H. Termination/Cancellation
The CLIENT will have the right to terminate this AGREEMENT for its convenience. After termination, Anchor QEA will be reimbursed for services rendered and necessary expenses incurred to the termination date upon submission to the CLIENT of detailed supporting invoices.

I. Complete Agreement
This AGREEMENT constitutes the complete and final understanding between the parties. The CLIENT may adjust the Scope of Services by either adding to or deleting from the services to be performed. If such adjustment increases or decreases the cost or time required for Anchor QEA's Scope of Services, adjusting compensation and/or time will be mutually agreed upon in writing. Additional Services provided by Anchor QEA will be entitled to additional compensation or extension of time only as authorized in writing by the CLIENT.

This Agreement represents the entire agreement between the parties, supersedes all prior agreements and understandings, and may be changed only by written amendment executed by both parties.

PUBLIC TRANSPORTATION PROGRAM RESOLUTION

FY 2021 RESOLUTION

Section 5311 (including ADTAP), 5310, 5339, 5307 and applicable State funding, or combination thereof.

Applicant seeking permission to apply for Public Transportation Program funding, enter into agreement with the North Carolina Department of Transportation, provide the necessary assurances and the required local match.

A motion was made by (*Board Member's Name*) David Grindstaff and seconded by (*Board Member's Name or N/A, if not required*) Jill Austin for the adoption of the following resolution, and upon being put to a vote was duly adopted.

WHEREAS, Article 2B of Chapter 136 of the North Carolina General Statutes and the Governor of North Carolina have designated the North Carolina Department of Transportation (NCDOT) as the agency responsible for administering federal and state public transportation funds; and

WHEREAS, the North Carolina Department of Transportation will apply for a grant from the US Department of Transportation, Federal Transit Administration and receives funds from the North Carolina General Assembly to provide assistance for rural public transportation projects; and

WHEREAS, the purpose of these transportation funds is to provide grant monies to local agencies for the provision of rural, small urban, and urban public transportation services consistent with the policy requirements of each funding source for planning, community and agency involvement, service design, service alternatives, training and conference participation, reporting and other requirements (drug and alcohol testing policy and program, disadvantaged business enterprise program, and fully allocated costs analysis); and

WHEREAS, the funds applied for may be Administrative, Operating, Planning, or Capital funds and will have different percentages of federal, state, and local funds.

WHEREAS, non-Community Transportation applicants may apply for funding for "purchase-of-service" projects under the Capital budget Section 5310 program.

WHEREAS, (*Legal Name of Applicant*) Yancey County Local Government hereby assures and certifies that it will provide the required local matching funds; that its staff has the technical capacity to implement and manage the project(s), prepare required reports, obtain required training, attend meetings and conferences; and agrees to comply with the federal and state statutes, regulations, executive orders, Section 5333 (b) Warranty, and all administrative requirements related to the applications made to and grants received from the Federal Transit Administration, as well as the provisions of Section 1001 of Title 18, U. S. C.

WHEREAS, the applicant has or will provide all annual certifications and assurances to the State of North Carolina required for the project;

NOW, THEREFORE, be it resolved that the (*Authorized Official's Title*)* Michael Harris of Yancey County Transportation is hereby authorized to submit grant application (s) for federal and state funding in response to NCDOT's calls for projects, make the necessary assurances and certifications and be empowered to enter into an agreement with the NCDOT to provide rural, small urban, and urban public transportation services.

I (*Certifying Official's Name*)* Jeff Whitson (*Certifying Official's Title*) Board Chairman do hereby certify that the above is a true and correct copy of an excerpt from the minutes of a meeting of the (*Name of Applicant's Governing Board*) Yancey County Board of Commissioners duly held on the 09 day of September, 2019.

RESOLUTION OF THE BOARD OF DIRECTORS OF VAYA HEALTH IN SUPPORT OF FUNDING TO MEET THE MENTAL HEALTH, INTELLECTUAL/ DEVELOPMENTAL DISABILITIES, AND SUBSTANCE USE DISORDER SERVICE NEEDS OF THE VAYA HEALTH CATCHMENT AREA

WHEREAS, the Board of Directors of Vaya Health recognizes that, with appropriate services and supports, individuals with mental health and substance use disorders can achieve recovery; and

WHEREAS, the Board further recognizes that individuals with intellectual/ developmental disabilities ("IDD") can live productive lives in the homes and communities of their choice; and

WHEREAS, the amount of resources needed for mental health, substance use disorder and IDD services and supports is increasing due to North Carolina's increasing population; and

WHEREAS, Vaya Health is responsible for management and oversight of publicly-funded mental health, substance use disorder and IDD services for over 270,000 Medicaid-covered, under-insured and uninsured individuals across twenty-two (22) western North Carolina counties (the "Catchment Area"); and

WHEREAS, consistent with the goals of the 1915(b)/(c) Medicaid Waiver expansion, the Board of Directors developed a comprehensive reinvestment plan beginning in SFY 2015-16 as part of a focused effort to reduce unnecessary emergency department admissions, divert people from incarceration and institutionalization, combat the opioid epidemic, and support county Departments of Social Services; and

WHEREAS, Vaya has already reinvested $18.5 million of its Medicaid savings in a broad array of initiatives that directly addressed the needs of the Vaya Health Catchment Area, including but not limited to expanding Facility Based Crisis and Behavioral Health Urgent Care services, implementing an innovative evidenced-based service to support children aging out of the foster care system, distributing opioid overdose reversal kits, increasing provider rates and expanding Medication Assisted Treatment; and

WHEREAS, State funding for North Carolina's behavioral healthcare system has been inconsistent and inadequate for more than 17 years since mental health reform legislation was passed by the North Carolina General Assembly in 2001; and

WHEREAS, the North Carolina General Assembly has reduced State funding for behavioral health services (known as single-stream funding) by more than $458 million statewide over the past four years, including $48 million in single-stream funding to Vaya alone, while requiring Vaya to continue offering the same level of State-funded services as before such reductions; and

WHEREAS, if the proposed $9 million single-stream reduction in the pending State budget is passed into law, the General Assembly will have cut more than $57 million in single-stream funding from Vaya; and

WHEREAS, despite these significant single-stream funding reductions, Vaya has continued serving the uninsured and underinsured using remaining State funds and Medicaid savings that were intended to be used for implementing its reinvestment plan; and

WHEREAS, such continued reductions have forced Vaya to eliminate, or halt work on, items from its reinvestment plan; and

WHEREAS, the Board of Directors is concerned that additional reductions in single-stream funding by the State may increase the need for the allocations from counties in the Catchment Area and place additional strain on local hospitals, Emergency Medical Services, jails, housing, and other social service resources.

NOW, THEREFORE, BE IT RESOLVED, that the Vaya Health Board of Directors does hereby request that the North Carolina General Assembly:

- Stop cutting Vaya Health's State single-stream funding so that such funds can be utilized to strengthen access to healthcare services for the mental health, intellectual/ developmental disabilities, and substance use disorder needs of over 270,000 Medicaid-covered, under-insured and uninsured individuals across the Vaya Health 22-county Catchment Area; and
- Allow Vaya Health to build up its Medicaid savings so that Vaya can reinvest in services and supports for our communities rather than mandating that such funds be used to replace previously reduced State funding.

Adopted this 22nd day of August, 2019.

Signed:

Rick French, Chair
Vaya Health Board of Directors

WHEREAS, Yancey County is a member of Vaya Health, a public Local Management Entity/ Managed Care Organization ("LME/MCO") responsible for management and oversight of publicly-funded mental health, substance use disorder and IDD services for over 270,000 Medicaid-covered and uninsured individuals across twenty-two (22) western North Carolina counties (the "Catchment Area"); and

WHEREAS, consistent with the goals of the 1915(b)/(c) Medicaid Waiver expansion, the Vaya Health Board of Directors developed a comprehensive reinvestment plan beginning in SFY 2015-16 as part of a focused effort to reduce unnecessary emergency department admissions, divert people from incarceration and institutionalization, combat the opioid epidemic, and support county Departments of Social Services; and

WHEREAS, Vaya has already reinvested $18.5 million of its Medicaid savings in a broad array of initiatives designed to directly address the needs of the citizens of Yancey County, including but not limited to expanding Facility Based Crisis and Behavioral Health Urgent Care services, implementing an innovative evidenced-based service to support children aging out of the foster care system, distributing opioid overdose reversal kits, increasing provider rates and expanding Medication Assisted Treatment; and

WHEREAS, State funding for North Carolina's behavioral healthcare system has been inconsistent and inadequate for more than 17 years since mental health reform legislation was passed by the North Carolina General Assembly in 2001; and

WHEREAS, the North Carolina General Assembly has reduced State funding for behavioral health services (known as single-stream funding) by more than $458 million statewide over the past four years, including more than $48 million in cuts to single-stream funding to Vaya alone, while requiring Vaya and other LME/MCOs to continue offering the same level of State-funded services as before such reductions; and

WHEREAS, if the proposed $9 million single-stream reduction in the pending State budget is passed into law, the General Assembly will have cut $57 million in single-stream funding from Vaya; and

WHEREAS, despite these significant single-stream funding reductions, Vaya has continued serving the uninsured and underinsured using remaining State funds and Medicaid savings that were intended to be used for implementing its reinvestment plan; and

WHEREAS, such continued reductions have forced Vaya to eliminate, or halt work on, items from its reinvestment plan; and

WHEREAS, Yancey County has continued to fund Vaya with County dollars to supplement services to our residents, but we are concerned that additional reductions in behavioral health funding by the State may increase the need for the local allocation and place additional strain on local hospitals, Emergency Medical Services, jails, housing, and other social service resources.

NOW, THEREFORE, BE IT RESOLVED, that we, the Yancey County Board of Commissioners, do hereby request that the North Carolina General Assembly:

- Stop cutting Vaya Health's State single-stream funding so that such funds can be utilized to strengthen access to healthcare services for the mental health, intellectual/ developmental disabilities, and substance use disorder needs of uninsured and underinsured Yancey County citizens; and
- Allow Vaya Health to build up its Medicaid savings so that Vaya can reinvest in services and supports for our communities rather than mandating that such funds be used to replace reduced State funding.

This the 9th day of September 2019.

Jeff Whitson, Chairman

Sonya Morgan, Clerk to the Board

RESOLUTION OF THE YANCEY COUNTY BOARD OF COMMISSIONERS, DECLARING THE COUNTY OF YANCEY, NORTH CAROLINA FOR LIFE AND URGING THE CITIZENS OF THE COUNTY OF YANCEY TO PROMOTE AND DEFEND THE INALIENABLE RIGHT TO LIFE AND THE INHERENT DIGNITY OF ALL HUMAN BEINGS, INCLUDING THE PRE-BORN, FROM CONCEPTION OR FERTILIZATION THROUGH ALL STAGES OF DEVELOPMENT.

WHEREAS, the Declaration of Independence affirms that all men are created equal and have been endowed by the Creator with certain unalienable rights— chief among them the right to life— and that the protection of these rights is an affirmative duty of federal, state, and local governments; and

WHEREAS, James Madison, who is considered to be the father of the constitution, wrote that "the accumulation of all powers, legislative, executive, and judiciary, in the same hands...may justly be pronounced the very definition of tyranny;" and

WHEREAS, the Supreme Court of the United States has abused its proper function of judicial review and supplanted it with the unconstitutional theory judicial supremacy in order to legislate and impose its policy preferences upon the people; and

WHEREAS, the Fifth and Fourteenth Amendments to the United States Constitution provide for the protection of human life and liberty; and

WHEREAS, the Supreme Court of the United States in Poelker v. Doe (432 US 519, 1977) concluded that "the Constitution does not forbid a State or city, pursuant to democratic processes, from expressing a preference for normal childbirth" instead of abortion; and

WHEREAS, state police power derives from the Tenth Amendment to the United States Constitution, which gives states the powers "not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people;" and

WHEREAS, the power to establish and enforce laws protecting the welfare, safety, and health of the public is a core function of the state's Tenth Amendment police power; and

WHEREAS, Section I of the Constitution of North Carolina states that "all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness"; and

WHEREAS, this County Board of Commissioners desires to express its deep concern that all human beings, at every stage of development, including before birth, in the county of Yancey should be afforded protection from acts of cruelty, and be treated humanely and with dignity.

NOW, THEREFORE, BE IT RESOLVED:

Section 1. That the Yancey County Board of Commissioners hereby recognizes and declares the full humanity of the preborn child and declares Yancey County to be a strong advocate for the preborn where the dignity of every human being will be defended and promoted from conception or fertilization through all stages of development.

Section 2. The Yancey County Board of Commissioners hereby resolves to use all means within its power to support the sanctity of human life in accordance with the God-given responsibilities as the people's elected governing body.

Adopted, this the 9th day of September, 2019.

RESOLUTION

IN SUPPORT OF OVERRIDING THE BUDGET VETO

WHEREAS, the North Carolina General Assembly (NCGA) passed a budget that supports Yancey County programs and education with much needed funding and capital; and

WHEREAS, the NCGA budget included funding that directly benefits Yancey County schools with $10,572,504 of new school construction funding, gives teacher their sixth and seventh consecutive pay raises over the next two years; and

WHEREAS, there is a need for a new school to be constructed in the near future and the funds appropriated in the NCGA 2019 budget will provide the capital investment needed; and

WHEREAS, $515,000 has been appropriated to the Anspach Advanced Manufacturing School at Mayland Community College in Yancey County for the equipment purchases and nonrecurring operational expenses; and

WHEREAS, provides hard working state employees residing in Yancey County with a historic 5% pay raise; and

NOW, THEREFORE, BE IT RESOLVED that the Yancey County Board of Commissioners hereby supports the aforementioned NCGA 2019 budget initiatives and calls upon members of the NCGA to vote in favor of overriding the Governor's veto.

ADOPTED, this the 9th day of September 2019 by the Yancey County Board of Commissioners.

Jeff Whitson, Chairman
Yancey County Board of Commissioners
